The Financial and Consumer Affairs Authority of Saskatchewan (FCAA) warns investors of the online entity Fintech Market.

Fintech Market claims to offer Saskatchewan residents trading opportunities, including cryptocurrency and “300+ trading instruments.”

Fintech Market is not registered to trade or sell securities or derivatives in Saskatchewan. The FCAA cautions investors and consumers not to send money to companies that are not registered in Saskatchewan, as they may not be legitimate businesses.

If you have invested with Fintech Market or anyone claiming to be acting on their behalf, contact the FCAA’s Securities Division at 306-787-5936.

In Saskatchewan, individuals or companies need to be registered with the FCAA to trade or sell securities or derivatives. The registration provisions of *The Securities Act, 1988*, and accompanying regulations are intended to ensure that only honest and knowledgeable people are registered to sell securities and derivatives and that their businesses are financially stable.
